DETAILED ACTION

This office action is in response to communication filed on 2/20/2009. Claims 14-17, 19, 22-26, and 28 remain pending in this application.

Priority

1. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Sweden on October 25, 2005. It is noted, however, that applicant has not filed a certified copy of the 0502370-0 application as required by 35 U.S.C. 119(b).

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance:

The subject matter of the independent claim 14 could either not be found or was not suggested in the prior art of record. The subject matter not found was specifically a second tubular member rotationally locked to a dose activating means that has a set of descending ledges on the inner surface that cooperate with a second set of outwardly extending stop members on the plunger.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to MARIA E. DOUKAS whose telephone number is (571)270-5901. The examiner can normally be reached on Monday - Friday 7:30 AM - 5:00 PM EDT.
